

Dear Ikes member, friends, wives of deceased members,

Due to the high cost of printing and mailing the officers and club board have decided to have the newsletter and all Ikes information available via our website www.doltonikes.org. I understand everybody does not have access to a computer or may not be all that computer savvy. Thus we must still have a hard copy of the newsletter etc...available for you at the club. You will have to come and pick up a copy each month at the club. The only exception to this will be if you are disabled or live out of state. If you qualify for this exemption please send a letter to the club to Dan Cieslak or myself with the address where we can continue to serve you. If we currently do not have your current E-mail or it changes you will be required to notify us of the change. If you are having trouble with our new site please contact Dan Cieslak -phone#219-838-017 or Bob Warner at 219-322-7974. Thank you..

Also the Shrimp Boil worklists are posted. See club bulletin board 3-mandatory work assignments.

I would like to apologize for not getting the newsletter out on time. However with this new system the information super highway will be more dependable and changes and edits will be available much faster and easier to obtain.

One more note if you are interested in running for office, board, etc... This board meeting July 10 at 10 a.m. We need you there or have a member there that can nominate you at this time.

Thank you once again for your patience and understanding,

Robert Warner V.P.
