PFC Aaron Toppen Catfish Tournament & Fundraiser

Dear Friend,

On June 9, 2014, Aaron Toppen was killed in action in Afghanistan. Aaron was part of the Infantry and was deployed March 7, 2014. Aaron was honored to be asked to join the Special Forces with a mission. The last conversation Aaron's family had with him was that he "was with the best of the best" and that he "would call when the mission was over". Aarons family never received that call, instead they received a knock on the door at 12am on June 10th, 2014 informing them that Aaron had been killed in action.

Aaron loved many things but his love for his nation, fishing, and his friends outweighed all. The past two years his friends have come together to have a fishing tournament in his name. The community has raised over \$20,000 to be given back to local and national charities. This year the 2 charities that have been chosen by the family are Puppies Behind Bars and The 100 Club in Chicago. Aaron wanted to complete his military career and spoke about continuing to wear a uniform and serve his community.

Shrimp Boil tickets will be handed out at the Father's Day Steak Fry on Sunday, June 19.

As always, we need volunteer help so please let us know if you have anyone that would be interested in helping out.

Our membership is at an all-time low so all members need to make the mandatory dates, work both dates of the Shrimp Boil, and help with tear down on Sunday.
