Well summer is over, fall is here and the BEARS are playing. Come on up to watch the games and enjoy the club for the noon games on Sundays. Food will be served at half time for a small price. The fall work party is set for Saturday, November 5th and Sunday the 6th starting at 8am till noon. Be ready to work at 8am. It is a work party not a drink coffee and talk time. Food will be served at noon. There are still members who do not do their work duties, that needs to change. It makes the members that do their duties work harder. I am going to ask the Board to fine members who do not do their assigned work duties. It is getting old month after month having to put this in the newsletter. Thank You.

## Vice President: Bob Cole

If you have work duty, call the club first to make sure someone is there. If there is no answer, call me, Bob Cole at (708) 845-1987 after 4pm. There is a lot of work that needs to be done. Check with me or the grounds crew if you need to make up a duty or work party. After you make up a work duty, be sure to call me at (708) 845-1987 so it is recorded. Just a reminder: your scheduled work duty can be done the day before or the day after. If you still can't do your duty, you will need to switch with another member. Try your sponsors or ask them for suggestions of people to switch with. If you can't find anyone (after attempting to switch with someone), please call me.
