## Lady Ikes: Lori Brach

Hello! Hope all is well for you and yours!!

FYI.... The Lady Ikes are doing well and the current members we have are priceless and really work hard to keep our membership thriving. Unfortunately we have not had even one new lady attend/seek out any of our meetings well over a year, and that is really disappointing=- (As the club desires to recruit we do too. Gentlemen, why not invite a lady in your life to sit in on a meeting and see what it's all about, we would appreciate your support and hope to see a few new faces!

Lady Ikes Meetings are scheduled the 3rd Friday of each month at 7:00 pm. Meetings always include lots of fun, conversation, relaxation and refreshments!

Dates to remember:

 Lady Ikes Corn Boil, Sunday July 15th, we would sincerely appreciate help from any ladies involved in the club, please see Claudia or myself to volunteer!

The club calendar is available on the website and can help you look ahead to see what is happening here at the club. Board and Membership meetings, Lady Ikes meetings and events, club events, work parties, holiday celebrations, it's all right there. Calendars now show club events 3 to 4 months in advance. Last minute plans may be posted at a moment's notice, so check back often so you don't miss out.

### Newsletter: JoAnne Tyree:

To be in line with our website, we are including more calendars in the newsletter to let everyone know what is happening at the club in advance.

Also, in an effort to get our newsletter to everyone, we have put together a list of members who do not have access to the internet, or cannot get up to the club to pick a copy up. If you know of anyone who would be interested in having a copy mailed, please contact me or Dan Cieslak to get on the mailing list.

All submissions for the newsletter should be sent to JoAnne Tyree ([jotyree@comcast.net](mailto:jotyree@comcast.net)) by the membership meeting each month. Otherwise they can be left in the bar mailbox, but please call me to let me know they are there. (708)372-2328.
